

PICTURE DIVERSITY TAXON-OMICS Photo Challenge 2022

Send maximum three pictures that grasp the beauty and fascination of the organisms or techniques that you are working with.

Submit until August 15th 2022.

Please add a title and a one-sentence-description to each submission. A jury decides on the best two pictures that will be awarded and exhibited during the Annual Meeting Evening Event, our [website](#) and [TAXON-OMICS social media](#).

The challenge is sponsored by the [Gesellschaft für Biologische Systematik \(GfBS\)](#) with a one-year membership awarding the best two pictures.
